

pump it up ➡ chants energize fans

As always, the cheerleaders of triumphed in another glorious season. With the guidance of Coach Rebecca Amic, the cheer team united crowds at which they were present. The field was not their only stage; this unified team became known throughout the community due to performances in local parades and other events. From pep rallies to bonfires to basketball matches to Thursday night football games, the cheerleaders brought radiating energy and enough spirit to get everyone fired up with enthusiasm. Lively cheer routines and dance numbers never disappointed, and fans from far and wide were drawn by the astonishing stunts that these young men and women were able to accomplish.

Summertime for these students was spent prepping for the upcoming season, and it was the motivation and dedication to this taxing sport that allowed them to perfect each routine. Immediately after classes ended, the cheer team practiced into the late afternoon, spending long hours to perfect their choreography. However, it was all worth it in the end to see the astounding cheers given by these students. The hard work and endurance each member put into the routines made for incredible, passionate performances that not only delighted audiences, but also brought fans and athletes together.
